**RE: Frontier's Request for Extension of Time on May 3, 2021 Deadline for Submission of California Advanced Services Fund Applications in Areas "Adjacent" to Rural Digital Opportunity Fund**

Dear Mr. Rosvall:

On April 23, 2021, Frontier California, Inc., Citizens Telecommunications Company of California Inc., and Frontier Communications of the Southwest Inc. (collectively "Frontier") submitted a request for a 60-day extension of time on the May 3, 2021 deadline for submission of California Advanced Services Fund ("CASF") applications in areas "adjacent" to Rural Digital Opportunity Fund ("RDOF") grant areas, pursuant to Rule 16.6 of the CPUC's Rules of Practice and Procedure.

This request was submitted more than five business days before the deadline for application submission and therefore meets the obligations of Rule 16.6 of the CPUC's Rules of Practice and Procedure.

Pursuant to Rule 16.6 of the CPUC's Rules of Practice and Procedure, Frontier's request is partially granted. The revised deadline for RDOF submission of CASF in areas "adjacent" to RDOF grant areas is now extended 30 days to June 3, 2021.

The new deadline will apply to all prospective RDOF "adjacent" areas applicants, as contemplated by Decision 21-01-003.

Pursuant to Rule 16.6 of the CPUC's Rules of Practice and Procedure, Frontier shall promptly notify the service list of Rulemaking 20-08-021 via electronic mail that this request was partially granted.

Sincerely,

A handwritten signature in cursive script that reads "Rachel Peterson".
