Subject: **PROJECTED COSTS FOR THE CALIFORNIA LIFELINE PROGRAM FOR FISCAL YEAR 2024-2025 (2023-05 ADMINISTRATIVE LETTER 2)**

General Order 153, Section 10.4.2, requires California LifeLine service providers to annually submit to the Communications Division a forecast of the service provider's California LifeLine claims. The Annual Cost Projection Worksheet must be filed by June 30, 2023 by service providers that intend to file reimbursement claims from the California LifeLine Fund for the fiscal year (FY) 2024-25. No reporting is required for service providers that do not plan to file California LifeLine reimbursement claims for FY 2024-25.

For all California LifeLine Wireline service providers, you can find the Annual Cost Projection Worksheet by clicking on the link below:

[California LifeLine Telephone Program \(LifeLine\) Annual Cost Projection Worksheet FY 2024-2025](#).

For all California LifeLine Wireless service providers, you can find the Annual Cost Projection Worksheet by clicking on the link below:

[California LifeLine Wireless Program \(LifeLine\) Annual Cost Projection Worksheet FY 2024-2025](#).

For each line item on the worksheet, the service provider's estimates should be consistent with the method used in preparing the monthly claim form. If there is a change in either the type of item claimed or in the method used for the estimates, a description of the change should be attached to the worksheet.

For service providers that have not previously submitted the LifeLine claims, guidance for the worksheet can be obtained from Commission Decision 10-11-033 and Decision 14-01-036. A copy of General Order 153 and the California LifeLine claim form are available on the California Public Utilities Commission website at: <https://www.cpuc.ca.gov/lifeline-related-forms-and-notices-for-carriers>.

Please email the completed Annual Cost Projection Worksheet to lifelineclaim@cpuc.ca.gov by June 30, 2023.

If you have any questions, contact Tina Lee by phone at 415-703-2285, or by email at u17@cpuc.ca.gov.
