1. California LifeLine Program:

- Working Group Updates:
 - The PD has been held until the September 23 Commission voting meeting.
 - The LifeLine Foster Youth Workshop is scheduled for Friday, October 22nd. We are planning for the wind-down of the iFoster Pilot, to be replaced by permanent inclusion of foster youth as categorically eligible for the LifeLine program.
 - Going forward, we will be using this all-stakeholder working group for periodic updates on the work being done in the smaller, more targeted working groups. We've done this in the past, but we'd like to do this a little more intentionally/regularly from now on. I will be coordinating short read-outs from each of the working groups in time for the next meeting.
 - Service providers
 - Consumer advocates
 - Renewals
 - Program Assessment
 - Anyone else?
- Administrative Committee:
 - The next meeting of the Administrative Committee will be Wednesday, September 22, from 9am to noon.
