**PACIFIC GAS AND ELECTRIC COMPANY’S (U 39 G) NOTICE OF
AVAILABILITY OF RESPONSE TO ADMINISTRATIVE LAW
JUDGE’S RULING SEEKING REVISED DATA FROM
CALIFORNIA’S GAS UTILITIES (PUBLIC VERSION)**

Contemporaneously with this Notice of Availability (NOA), Pacific Gas and Electric Company (PG&E) is filing with the California Public Utilities Commission (Commission) PG&E’s Motion for Leave to File Under Seal Confidential Materials in Response to Administrative Law Judge’s Ruling Seeking Revised Data from California’s Gas Utilities (Motion). As described in the Motion, the confidential version of PG&E’s Response will be provided to the Commission’s Docket Office in PDF format contained on an archival grade CD-ROM.

Pursuant to the Administrative Law Judge’s Ruling Seeking Revised Data from California’s Gas Utilities, issued on September 21, 2022, PG&E is providing electronic files of its Response (public version) to the service list for this proceeding in comma separated values (CSV) and Excel formats.

Pursuant to Rule 1.9(c) of the Commission’s Rules of Practice and Procedure, PG&E is serving this NOA in lieu of the serving the documents described above via email due to the nature of the requested data file formats. The NOA provides a pathway for parties to view and download the “active” CSV and Excel files of the public version of PG&E’s Response.
