

California Public Utilities Commission

April 23, 2020, 10:00 AM–1:00 PM CALIFORNIA ADVANCED SERVICES FUND PUBLIC WORKSHOP

The California Public Utilities Commission (CPUC), will hold its annual public workshop to facilitate collaboration among regional consortia, stakeholders, local governments, existing facility-based broadband providers, and consumers regarding cost-effective strategies to reach unserved areas.

The California Advanced Services Fund (CASF) promotes broadband adoption and infrastructure deployment in unserved areas with a goal of providing broadband access to no less than 98 percent of California households.

For those unable to attend, the workshop will be webcast and can be accessed at: <http://www.adminmonitor.com/ca/cpuc/>. Remote participants may email question during the workshop to CASF_Workshop@cpuc.ca.gov. Written comments may also be submitted to: CPUC Public Advisor, 505 Van Ness Ave., San Francisco, CA 94102, or via email to public.advisor@cpuc.ca.gov. Please refer to proceeding number R.12-10-012 on any written or email correspondence about this proceeding. Additional CASF program information is available at <https://www.cpuc.ca.gov/casf/>.

The CPUC regulates privately owned electric, natural gas, telecommunications, water, railroad, rail transit, and passenger transportation companies.
