**Independent Accountants' Report  
on Applying Agreed-Upon Procedures**

**To the Board of Directors of  
San Diego Gas & Electric Company  
Southern California Gas Company  
San Diego, CA 92101**

We have performed the procedures enumerated below, which were agreed to by the management of the San Diego Gas & Electric Company ("SDG&E") and the Southern California Gas Company ("SoCalGas") (collectively, the "Companies"), solely to assist the management of the Companies in evaluating the compliance of the accompanying 2017 Tables (the 2017 Tables are included in the Companies' General Order No. 77-M 2017 Annual Report and consist of the Companies' Executive Officers and Employees with a Base Salary of \$250,000 or More Per Annum and Executive Officers of the Utility's Holding Company Summary of Compensation Table, 2017 Options Exercised and Stock Vested Table, 2017 Change in Pension Value and Above-Market Interest Table, and 2017 All Other Compensation Table) with subsections (a) and (c) of the Public Utilities Commission of the State of California's (the "CPUC") General Order No. 77-M ("GO No. 77-M"). The Companies' management is responsible for the Companies' compliance with those requirements. The sufficiency of these procedures is solely the responsibility of the Companies' management. Consequently, we make no representations regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed were not intended to address legal issues as to whether an item is required to be disclosed nor are they designed to address compensation disclosures required by GO No. 77-M subsections other than subsections (a) and (c).

For purposes of performing these agreed-upon procedures, no exceptions were reported for differences of \$1,000 or less resulting solely from the rounding of amounts disclosed.

The following procedures have been performed in relation to the 2017 Tables:

**I. Summary of Compensation Table**

Procedures Performed:

**A. Column headed "Name" and "Title"**

1. We agreed the "Name" of the Executive Officers of SDG&E and/or SoCalGas to a report extracted from Sempra Energy's MY INFO payroll system identifying employees with a 2017 base salary of \$250,000 or more. For retired officers, we agreed the name to Sempra Energy's ADP Enterprise HRMS System.
2. We agreed the "Name" and "Title" of the Executive Officers of SDG&E and/or SoCalGas to the Sempra Energy Annual Report. For non-officers and retired officers not included in the Sempra Energy Annual Report, we agreed the "Name" and "Title" to the MY INFO payroll system.
3. We agreed the "Name" and "Title" of the named Executive Officers of Sempra Energy Corporate to Sempra Energy's Notice of 2018 Annual Meeting of Shareholders and Proxy Statement. See results below:

NAME	TITLE
Debra L. Reed	Chairman, President and Chief Executive Officer
Joseph A. Householder	Corporate Group President - Infrastructure Businesses
Steven D. Davis	Corporate Group President - Utilities
Jeffrey W. Martin	Executive Vice President and Chief Financial Officer
Martha B. Wyrsh	Executive Vice President and General Counsel

**B. Column headed "Base Salary (\$)"**

1. We agreed the 2017 "Base Salary (\$)" to the Pay Rate History Report extracted from Sempra Energy's MY INFO payroll system. For retired officers, we agreed the base salary to Sempra Energy's ADP Enterprise HRMS System.

**C. Column headed "Non-Equity Incentive Plan Compensation (\$)"**

1. We agreed the 2017 "Non-Equity Incentive Plan Compensation (\$)" to the award amounts approved by the Compensation Committee of the Sempra Energy Board of Directors and the SDG&E and SoCalGas Boards of Directors. We also agreed the award amounts to a report generated from the payroll system. For non-officers, we agreed the awards to a report generated from the payroll system.

D. Column headed "Stock Awards (\$)"

1. We agreed the date and quantity of performance-based and time-based restricted stock units granted in 2017 for each officer and non-officer to the Stock Options and Awards Granted report from Sempra Energy's Equity Edge system.
2. We recalculated the amounts reported in the "Stock Awards (\$)" column by multiplying the number of shares granted to each officer and non-officer by the grant date fair value per share. For restricted stock unit awards with a performance measure tied to total shareholder return, we used the grant date fair value per share as determined by Montgomery Investment Technologies using a Monte Carlo Valuation Model. We noted that the number of shares granted to each participant is determined based on the lower of the grant date closing stock price and the Montgomery Investment Technologies Monte Carlo valuation model.

E. Column headed "Change in Pension Value and Nonqualified Deferred Compensation Earnings (\$)"

1. We agreed the "Change in Pension Value and Nonqualified Deferred Compensation Earnings (\$)" column for each of the Executive Officers and Employees to the total in the "2017 Change in Pension Value and Above-Market Interest" table found on page 3 of Section Titled: Executive Officers and Employees with a Base Salary of \$250,000 or More Per Annum and Executive Officers of the Utility's Holding Company.

**San Diego Gas & Electric Company**  
**Narrative Statement Describing Compensation Elements**  
**For the Year Ended December 31, 2017**

This narrative statement and the amounts reported herein generally follow the presentation included in the Sempra Energy proxy statement and Southern California Gas Company information statement prepared for their annual meetings of shareholders held on May 10, 2018 and May 22, 2018 respectively.

*1. Base Salaries*

The executive compensation programs of San Diego Gas & Electric, Southern California Gas Company, and Sempra Energy emphasize performance-based annual bonuses and equity-based long term incentive awards. However, base salaries remain a necessary and standard part of compensation for attracting and retaining outstanding employees at all levels.

Base salaries for executive officers are targeted at the median of those for the Fortune 500 companies with revenues between \$5 billion and \$20 billion ("general industry peer group"). Using national general industry comparisons helps attract and retain top-quality executive talent from a broad range of backgrounds.

Base salaries for executive officers are reviewed annually and the following factors are considered:

- Peer group salary data
- Individual contribution and performance
- Labor market conditions
- Reporting relationships
- Retention needs
- Experience
- Complexity and importance of roles and responsibilities
- Succession planning
- Internal equity

*2. Performance-Based Annual Bonuses*

Each year, performance guidelines are established for annual bonuses. Consistent with the pay-for-performance philosophy, the guidelines do not provide for any bonus payment unless the threshold (minimum) performance level is attained. Bonus opportunities increase for performance above the threshold level. For a detailed description of individual bonus opportunities, performance measures and 2017 results, please refer to pages 42-45 and 89-91 of the Sempra Energy proxy statement and pages 14-18 of the SoCalGas information statement.

Potential bonuses at threshold, target and maximum company performance are expressed as a percentage of each executive officer's base salary. The target bonus potentials and percentages are consistent with the leverage typically found in bonus plans within general industry. Extraordinary company or individual performance may result in the payment of bonuses above the guidelines.

*3. Long Term Equity-Based Incentives*

Long term equity-based incentives are the largest single component of each executive officer's compensation package. In 2017, the long-term incentive plan award was in the form of performance-based and time-based Sempra Energy restricted stock units. (Sempra Energy executive officers did not receive time-based restricted stock unit awards.)

This award structure was determined after considering many variables. These included alignment with shareholder interests, plan expense, share usage and market trends.

**Narrative Statement Describing Compensation Elements**  
**For the Year Ended December 31, 2017**

Performance-based restricted stock units:

Each performance-based restricted stock unit granted in 2017 represents the right to receive between zero and 2.0 shares of Sempra Energy common stock. The 2017 performance-based restricted stock unit awards are based on two performance measures – relative total shareholder return and earnings per share growth.

For a detailed description of the performance measures and results for the 2013-2016, 2014-2017 and 2015-2017 award cycles, please refer to pages 45-49 of the Sempra Energy proxy statement and pages 18-22 of the SoCalGas information statement.

Time-based restricted stock units:

Time-based restricted stock units granted in 2017 vest at the end of three years, subject to continued employment through the vesting date. The primary purpose of these awards is to promote retention.

***Benefit Plans***

Executive officers also participate in other benefit programs including: 1) Health, Life Insurance and Disability Plans; 2) Retirement Plans; 3) Savings and Deferred Compensation Plans; and 4) Other Benefit Programs. These benefits are described on pages 50-51 of the Sempra Energy proxy statement and pages 22-24 of the SoCalGas Information Statement.

*Regular Employee Benefits*

The SEC's proxy rules, for the most part, do not require reporting of broad-based employee benefit plans such as those providing medical, dental, life or disability coverage. However, amounts related to broad-based pension benefits and the 401(k) savings plan are discussed in the Compensation Discussion and Analysis and reported in the executive compensation tables.

The companies' flexible benefits plan allows employees to select the types and levels of benefits that best meet their needs and those of their families. Benefit options include:

- Medical plans (choice of HMO's and a high-deductible health plan)
- Dental plans (choice of Delta Dental plan and dental HMO)
- Long-term disability coverage
- Life insurance
- Accident insurance
- Healthcare, Dependent day care and Transportation flexible spending accounts

Each benefit option has a price tag reflecting the employee's cost for coverage. The amounts shown in the Regular Benefits column of the All Other Compensation table in this report reflect the portion of the benefit costs paid by the companies.

In addition to the flexible benefit plan, the companies also provide short-term counseling and referral services under the employee assistance plans and various wellness programs.
